REPORT NARRATIVE

Synopsis:

Robert Allen Harris led deputies on a high speed vehicle pursuit through the Town of Fallbrook. Harris was arrested near 39445 Sandia Creek Road for 2800.2(a) CVC, 69 PC, 11379(a) HS, 11378 HS, 11377(a) HS and an active no bail felony warrant (#CPR151456). Due to injuries sustained during his arrest, Harris was admitted into Palomar Medical Center West for treatment prior to being booked into the Vista Detention Facility.

Origin:

On 08/25/2016, at approximately 1245 hours, I observed a male known to me as Robert Allen Harris driving a white BMW bearing California License plate ([redacted]) north bound on Main Street near East Fallbrook Street, in the Town of Fallbrook and County of San Diego.

The BMW Harris was driving had previously been in the possession of and driven by [redacted] on numerous occasions. I had prior knowledge there was an active felony warrant (#CPR151456) for Harris' arrest and active misdemeanor warrants for [redacted] arrest (CN355775 and CN361610).

Background:

I have been employed by the San Diego County Sheriff's Department for over 12 years. During my employment, I have been assigned to the jail, transportation, patrol, a Gang Enforcement Team, Special Investigations Division-Street Narcotics and Gang Detail (SID-SNGD) and currently assigned to the Fallbrook Patrol Sub Station Crime Suppression Team.

During my tenure, I have received approximately 450 hours of formal training specifically related to, criminal street gang related investigations and illegal street narcotics as related to possession, possession for sales, manufacturing, under the influence and narcotics paraphernalia.

This training includes but is not limited to: Institute of Criminal Investigations criminal investigation core course (80 hours), Institute of Criminal Investigations advanced gang investigation course (40 hours), Institute of Criminal Investigations gang foundation course (40 hours), Multi-jurisdictional counter drug task force and gang prosecution course (24 hours), California gang investigators association courses (28 hours), California narcotics association courses (24 hours), a California narcotics association Medicinal Marijuana from the streets to dispensaries class (8 hours), a Federal Drug Enforcement Agency (DEA) Basic narcotics investigators school (80 hours), a Major Narcotics Investigators course administered through the Institute of Criminal Investigations (80 hours), a Desert Snow Narcotics Trafficking workshop (24 hours) and a (40) hour (DEA) Narcotics Clandestine Laboratory Investigators course.

The classroom, laboratory and field training also reviewed illegal street narcotics manufacturing, use, paraphernalia, trends, possession and the sales of illegal street narcotics. I have assisted in the arrest of over 300+ individuals for Illegal Street narcotics related violations and personally arrested over 250+ individuals for narcotics related violations such as but not limited to possession, possession for sales, cultivation, manufacturing, under the influence and possession of narcotics paraphernalia. I have testified over 15+ times as an expert in the field of illegal street narcotics as related to possession for sales, cultivation, manufacturing, possession and narcotics paraphernalia in North County Superior Court, San Diego Central Superior Court and San Diego Juvenile Court.

Investigation:

I lost visual of Harris due to traffic on Main Street. I checked the area and located the BMW parked unoccupied in front of (b)(5)(A), Fallbrook. I requested other units to include unmarked units to assist with conducting surveillance. At approximately 1319 hours, Harris walked out of (b)(5)(A) and entered the BMW. Harris was positively identified by Deputy Andrade.

Deputy Allison pulled his patrol vehicle behind Harris with the intent of blocking Harris in the parking spot and not allowing Harris to drive away. Harris backed the BMW towards Deputy Allison's patrol vehicle and then sped away from Deputy Allison at a high rate of speed. Harris drove through the parking lot of the Fallbrook Library while people were walking in the area.

Deputy Allison pursued Harris with his patrol vehicle's emergency lights and sirens activated.

Harris proceeded through the library parking lot onto north Pico and failed to stop at stop sign controlled intersections making a right turn onto Ivy Street towards Main Street. Harris failed to stop at a stop sign controlled intersection at Ivy Street and Main Street and traveled south bound on Main Street towards Alvarado Street at approximately 40+ miles an-hour in a "25 MPH" commercial zone and nearly collided with other vehicles while traveling south bound in the north bound lanes of Main Street.

Harris failed to signal while making a right hand turn and proceeded west bound on Elder towards Mission Road. Harris again failed to stop for a stop sign controlled intersection and did not signal prior to making a right hand turn onto Mission Road from Elder.

Harris reached speeds of approximately 70+ miles an-hour while traveling north bound on Mission Road passing Alvarado Street. At the intersection of Pico and De Luz Road Harris failed to stop at a stop sign controlled intersection and proceeded north bound on De Luz Road.

During the pursuit Harris ran several stop sign controlled intersections, drove in the opposite lanes of travel and drove at speeds well above the posted suggested speed for the local roadways. These were violations of California Vehicle Codes 22450(a) CVC Not stopping at a stop sign controlled intersection, 21460(a) Passing over a solid yellow double line, 21651(b) CVC Driving on the wrong side of the road and 22350 CVC Basic speed law. During the pursuit, Harris did not signal prior to turns also violating 22107 CVC Failing to signal.

At times, Harris was traveling over 70+ miles an hour in residential/commercial areas posted with street signs which read "25 MPH." Harris traveled north bound on De Luz Road at speeds of 50+ miles an hour.

De Luz Road is a two lane road and has numerous sharp right handed and left handed turns. While traveling on De Luz Road, Harris drove through an area that was coned off by workers that were trimming trees. One lane was open for vehicles to travel due to the limited space on the roadway.

Harris ignored all due regard for working pedestrians on the roadway and other motor vehicle operators while attempting to get away from law enforcement.

Deputy Allison pursued Harris north bound on Sandia Creek Road approximately 5.5 miles to the 39000 block of Sandia Creek Road. At one point, Harris conducted a U-turn crossing a solid yellow double line and ultimately came to rest near 39445 Sandia Creek Road facing south bound on the shoulder of Sandia Creek Road. Harris exited the vehicle and ran from Deputy Allison north bound then turned south bound and traversed a wooded area into a dry creek bed.

Deputy Allison pursued Harris approximately 100 yards in a southern direction along the creek bed. During the foot pursuit Deputy Allison instructed Harris to stop and get on the ground numerous times. Harris ignored all instructions given and continued to flee from Deputy Allison.

Deputy Allison caught up to Harris and instructed Harris several times to get on the ground. Deputy Allison caught up with Harris at the driveway of 39315 Sandia Creek Road. Harris was hunched over taking deep breathes. Deputy Allison instructed Harris to get on the ground from approximately five feet away.

Harris did not comply with Deputy Allison's instructions and took what appeared to be a fighting stance to Deputy Allison. Harris had both of his fists clinched and had one foot slightly in front of the other. Believing Harris was preparing to fight, Deputy Allison deployed his department issued Taser striking Harris in the right back upper shoulder area. See Deputy Allison deputy's report for narrative.

Harris fell to the ground. The Taser cycled for approximately 5 seconds. After the cycle finished, Harris attempted to get back on his feet. Believing Harris was going to assault him, Deputy Allison activated the Taser for another 5 second cycle.

I ran to Deputy Allison from my patrol vehicle which was parked near the mail box for 39445 Sandia Creek Road. As I was running to Deputy Allison, I heard Deputy Allison giving Harris instructions to stop resisting and to roll onto Harris' stomach.

Deputy Allison was giving the instructions in a loud and concise manner repeatedly. I heard Harris a couple times yell, "I am, I am." Deputy Allison continued to give Harris loud concise verbal instructions which lead me to believe Harris was still attempting to get away from Deputy Allison, resisting arrest and or possibly going to assault Deputy Allison.

I approached Harris on his left side. Harris' fists were clinched and near his hips. As I started to move in to grab Harris, I noticed Harris appeared to be lifting his hips off the ground and began to move his hands towards his abdomen/waist band area.

From prior experience and training, I know the waist band area of fleeing suspects is a common place to hide and or conceal illegal contraband to include but not limited to firearms and stabbing instruments. Not knowing if Harris was attempting to reach for a weapon in his waist band to use against Deputy Allison or myself, I utilized my momentum from running and I struck Harris with my right knee targeting the left upper back lower shoulder of Harris. Then using my body weight, I pushed Harris against the ground to limit his ability to reach into or about his waist band. Harris immediately stopped moving his hands towards his abdomen/waist band, his arms stiffened quickly and Harris let out a loud bellow. I handcuffed Harris and searched his waist, groin and upper body areas.

During the search, I located a plastic sandwhich bag which contained suspected methamphetamine (16.44 grams net) in Harris' right front pants pocket. Inside of Harris' wallet was approximately $1,676.00 in various denominations such as but not limited to 1's-6, 5's-6, 10's-7, 20's-31, 50's-9 and 100's-5 dollar bills. Harris was placed under arrest for 2800.2(a) CVC Felony evading, 11377(a) HS Possession of a controlled substance and the felony warrant (#CPR151456).

During the foot pursuit Deputy Allison fell down and bruised his left knee and also sustained minimal cuts and scrapes to both his right and left forearms from having to negotiate a barb wire fence, trees, brush and rocks to pursue Harris. Harris was arrested for 69 PC Resisting a peace officer with minor injuries.

Harris was transported to the Fallbrook patrol Station for processing and to be medically evaluated by North County Fire Department. At the station Harris was searched again by Sergeant Yates. Sergeant Yates located a black bag which had small silver skulls affixed to it in a pant leg of Harris' pants. See Sergeant Yates' deputy's report for narrative.

The black bag contained more suspected methamphetamine. In total Harris was in possession of approximately 93.17 grams net of suspected methamphetamine, a digital scale and unused packaging commonly used to sell illegal street narcotics.

Utilizing a digital scale to weigh the suspected methamphetamine the weights of the suspected methamphetamine were as follows: 55.74, 16.44 (Harris' pocket), 1.81, 1.79, 1.80, 3.51 and 12.08 net grams. I used a Methamphetamine field test kit to test the suspected methamphetamine. The test had a positive reaction for methamphetamine. The Federal Drug Enforcement Agency has set a standard that .05 grams of any illegal street narcotic is considered a usable amount.

Based on the amount of suspected methamphetamine (93.17 grams net), US currency ($1,676.00), digital scale, $1,676.00 and unused narcotics packaging, I placed Harris under arrest for 11379(a) HS Transportation of a controlled substance for sales and 11378 HS Possession of a controlled substance for sales.

Harris was transported to Palomar Medical Center by North County Fire Department for treatment and later booked into the Vista Detention Facility for the aforementioned violations. I later placed all the aforementioned evidence into a Fallbrook patrol Station evidence locker.

Evidence:

Suspected methamphetamine (93.17 grams net), US currency ($1,676.00), digital scale, un-used packaging, glass pipes, wallet, black bag, compact disc all placed into a Fallbrook Patrol Station evidence locker.

Injuries:

Harris sustained fractured/broken ribs and a punctured lung during the incident and was treated and admitted to Palomar Medical Center West.

Property Damage: None.

Follow-up:

As needed by Vista Street Narcotics and Gang Detail.

SUBJECT INJURY DESCRIPTION

OFFICER INJURY DESCRIPTION

OTHER FORCE USED/COMMENTS/EQUIPMENT PERFORMANCE:
Knee and body weight was effective with stopping suspect from reaching for waist band area.

		ARJIS	DATE
SERGEANT			
LIEUTENANT			
CAPTAIN			

San Diego County Sheriff's Department
Use of Force Supplemental

Use of Force Supplemental Instructions

Lines 1 & 3: Fill in the blanks.

Line 2: If the suspect was committing a crime and force was used to stop or apprehend the subject, document the appropriate penal code. If the UOF occurred in the performance of the officer's duties, document the incident description, i.e. officer transport, officer escort, making arrest, detaining suspect, cell extraction etc.

Primary Reason for Using Force: Check appropriate box(s).

Subject Appeared To Be: Check if applicable.

Number of Officers on Scene: List number of officers present.

Number of Officers Using Force: List number of officers that used force.

Level(s) of Resistance Encountered: Check appropriate box(s).

L.E. Tool/Technique Used: Check appropriate box(s). If known and/or applicable, include duration (approximate length of time) tool/technique was used. If known and/or applicable, include the number of contacts (approximate number of strikes, impacts, etc.) when requested on form.

Was Initial Use of Force Effective? If initial force used was effective, check "Yes." If initial force used was ineffective and additional force was necessary, check "No."

Was Additional Control or Force Needed: If initial force used was ineffective and additional force was necessary, check "Yes." If initial force used was effective, check "No."

Target Distance: If applicable (refers primarily to less lethal weapon systems), approximate distance or provide range (i.e. 7-15 feet, 15-20 yards, etc.) from subject during application of force.

Subject Injured: Check "Yes" if medically treated for injury sustained as a possible result of force applied by a officer(s) – does not include previous injuries suffered prior to officer contact. Check "No" if subject was not injured or simply complains of injury/pain suffered as a result of force applied by an officer(s) and refuses medical attention. Any complaints of pain shall be documented in the use of force report narrative (whenever any physical force used by a officer results in a complaint of injury or an injury that necessitates medical treatment of a subject, a supervisor will be notified immediately).

Extent of Treatment: Check appropriate box. Check none if subject was evaluated and no treatment was required. Specifically, check "Treated at Scene" if subject was treated at scene by EMS for injuries that may have resulted due to force applied by officer(s). Check "Treated at Hospital" if subject was transported to hospital for treatment of injuries that may have been sustained as an apparent result of force applied by officer(s). Check "Hospitalized" if subject was admitted to the Hospital as a result of injuries that were sustained as a result of force applied by officer(s).

Officer Injured: Check appropriate box (see above).

Extent of Treatment: Check appropriate box. Check none if officer was evaluated and no treatment was required. Specifically, check "Treated at Scene" if officer was treated at scene by EMS for injuries. Check "Treated at Hospital" if officer was transported to hospital for treatment of injuries. Check "Hospitalized" if officer was admitted to the Hospital as a result of injuries.

Other Force Used/Comments/Equipment Performance: This section can be used to document other force options not listed on the form; relevant comments about the incident such as complaints of pain/injury (room permitting) and negative/positive comments regarding equipment performance.

Mark Figure to Indicate Contact Points: When applicable, mark the areas on the figure where applied force contacted the subject's body.

Sergeant: Sign, list ARJIS number and date reviewed.

Lieutenant: Sign, list ARJIS number and date reviewed.

Captain: Sign, list ARJIS number and date reviewed.

REPORT NARRATIVE

ORIGIN:
On 08/25/2016, at about 1239 hours, Deputy Clark #3664 sent out a BOL via cad message to all MDC's reference a felony warrant subject; Robert Harris (b)(5)(A) who was observed driving in the Fallbrook area in an older white BMW (CAD #E3585206). Deputies staked out the vehicle that was parked in front of (b)(5)(A) and waited for the driver to come outside.

BACKGROUND:
I am a Deputy Sheriff employed by the San Diego County Sheriff's Department and currently assigned to the Fallbrook Substation in a patrol capacity. I have completed a basic P.O.S.T. law enforcement academy with all mandated training for narcotic identification as well as recognition of persons under the influence of a controlled substance. I have completed extensive training under the direct supervision of a Field Training Officer. I have approximately 40 hours of specialized training in narcotics, including a POST certified 8 hour Basic Drug Abuse Recognition (DAR) course on the evaluation of persons under the influence of controlled substances. I have participated or assisted in excess of 50 arrests of persons for narcotic related offenses and have assisted in excess of 50 arrests for possession of narcotics. I have participated in over 50 search warrants and 4th Waiver searches involving narcotics. I have assisted the Fallbrook Detectives and Crime Suppression Teams with more than 15 operations involving narcotics. I have had numerous conversations with people I have arrested regarding their usage, sales, and possession of narcotics. The Federal Drug Enforcement Agency (DEA) has set a standard that .05 grams of any illegal street narcotic is considered a usable amount.

DEPUTY'S OBSERVATIONS AND ACTIONS:
On 08/25/16, at about 1259 hours, Deputy Clark #3664 broadcasted via radio communication he observed a possible match on a white 1996 BMW (CA LIC (b)(5)(B)). The vehicle was believed to be driven by a felony warrant subject; Robert Harris ((b)(5)(A)). Deputy Clark had seen the possible vehicle pass him earlier on S. Main Avenue and later located the vehicle parked facing northbound in front of (b)(5)(A) .

I responded to the location and set up my vehicle at E. Elder Street and N. Pico Avenue. While parked, I exited my patrol vehicle and using binoculars, I observed the vehicle displaying (CA LIC # (b)(5)(A)). The vehicle registration was expired effective 01/2016 in violation of 4000(a)(1) CVC- Expired Registration.

Reporting Officer **ALLISON, SHANE**	Division / Organization **FLB_PAT / FLB - Fallbrook Substation**	Reviewed By **SH2423 - PUCILLO, JAMES**
Report Date **8/25/2016 3:35:17 PM**	Detective Assigned **SH9852 - MOORE, JUSTIN**	Reviewed Date **9/8/2016 12:18:27 PM**

At about 1319 hours, a Hispanic male adult, later identified as Robert Harris exited (b)(5)(A) and entered the driver seat of the white BMW. Deputy Clark had broadcasted via radio communication the Hispanic male adult who entered the vehicle appeared to be Robert Harris. I attempted to conduct a traffic enforcement stop on the vehicle in front of (b)(5)(A) (b)(5)(A). I activated my overhead lights and sirens and the vehicle suddenly reversed towards my patrol vehicle, nearly colliding into my patrol vehicle.

The vehicle then sped away from the area at a high rate of speed in violation of 22350 CVC- Speed Law and traveled across W. Fig Street into a busy parking lot full of parked vehicles just north of W. Fig Street. The vehicle failed to yield to my activated lights and sirens while making no attempts to stop.

I observed the vehicle cross northbound onto Pico Avenue across two lanes of traffic at E. Alvarado Street and continued following the vehicle eastbound onto W. Ivy Street. At the intersection of W. Ivy Street and N. Main Avenue, I observed the vehicle run a stop sign in violation of 22450(a) CVC- Stop Sign Violation. The posted speed limit on S. Main Avenue is 25 MPH and Harris was driving in speeds excess of 45 MPH.

The vehicle continued driving northbound onto S. Main Avenue and ran a red light at the intersection of E. Alvarado Street and S. Main Avenue in violation of 21453(a) CVC- Red Light Violation. The vehicle also crossed double yellow lines and into oncoming traffic on S. Main Avenue and nearly collided into another vehicle in violation of 21651(a)(2) CVC- Cross Double Yellow Lines as well as 21651(b) CVC- Wrong Way Driver.

Deputy Clark had broadcasted via radio communication he had positively identified the driver of the vehicle as Robert Harris. The driver, Robert Harris drove with disregard for public safety by driving recklessly at high rates of speed, running stop signs/red lights, and driving into oncoming traffic in violation of 2800.2(a) CVC- Felony Evading. I pursued Harris for approximately 5.5 miles throughout the city of Fallbrook.

Harris continued driving the vehicle throughout Fallbrook and eventually drove northbound onto De Luz Road from W. Kalmia Street. Harris ran through an additional stop sign at W. Kalmia Street. De Luz Road is a two line highway with narrow and winding roads.

While on De Luz Road, Harris crossed double-yellow lines on multiple occasions and drove into oncoming traffic at speeds of approximately 65-70 MPH. Harris spun out and collided into a dirt mound in the 39500 block of Sandia Creek Drive. I positioned my patrol vehicle toward the hood of Harris' vehicle and I observed Harris revving his engine while driving toward my patrol vehicle, displaying assaultive behavior. It appeared as though Harris was intentionally trying to strike my patrol vehicle, displaying assaultive beahvior. I had to quickly drive in reverse in order to get out of the way of Harris. I immediately feared for my safety and had I not moved out of the way of Harris's vehicle, I could have been seriously injured.

I was able to turn around and I pursued Harris southbound on Sandia Creek Drive. I observed Harris suddenly open his driver-side door while the vehicle was in motion and it appeared as though Harris was going to foot-bail. I observed Harris suddenly put the vehicle into park on the edge of the road on the west-side of Sandia Creek Drive at 39445 Sandia Creek Drive and Harris foot-bailed from the driver-seat of the vehicle. Harris was the sole occupant of the vehicle throughout the entire pursuit. I broadcasted via radio communication Harris's clothing description and direction of travel. Throughout the foot pursuit, I never lost observation of Harris. I pursued Harris on foot for approximately 100-150 yards.

I chased after Harris down a steep hill towards a ravine and fell down on my back. I was able to regain my footing and continued pursuing Harris on foot. At least three times I yelled in a loud, clear, and concise voice, "Sheriff's Department Robert Harris get on the ground now! Stop running!" Harris looked back at me and continued running away from me southbound along the ravine parallel to Sandia Creek Drive. I could see Harris stop and catch his breath at a tree before continuing to run away. I attempted to cut-off Harris and underneath leaves on the ground, I tripped on what appeared to be an old chain-link fence. I fell onto my knees and scraped both of my arms as a result.

I could see Harris again stop to catch his breath on the incline of a concrete easement in the area of 39315 of Sandia Creek Drive. Through my training and experience, I know subjects with felony warrants will attempt to evade law enforcement or use physical force or weapons in an attempt to evade capture. I immediately drew my department issued Glock 22 and pointed it at Harris. I yelled at least two times in a loud, clear, and concise voice, "Get on the ground now!" Harris was facing toward me with his hands on his knees trying to catch his breath. Once I could see no visible weapons in Harris' hands, I holstered my firearm and drew my department issued X26 Taser.

I again ordered Harris at least two times, "Get on the ground now!" I came within four feet of Harris and suddenly observed him stand up. Upon doing so, I observed Harris take a fighting stance by clinching his fists while faced towards me, with one foot partially behind the other, displaying assaultive behavior.

Harris was on an incline of the easement and I was downhill from him. Because I had just pursued Harris approximately 150 yards and also fell to the ground sustaining minor injuries, I feared Harris was going to physically assault me by punching me or charging at me. Had Harris charged at me downhill, I could have lost balance and landed on my back possibly resulting in serious injury. I also feared due to my minor injuries and because no deputies were on scene to cover me, that Harris may attempt to overtake me or my X26 Taser.

I pointed my X26 Taser at Harris ordering him to get on the ground at least two times. Harris made no attempt to get on the ground or comply with my commands. I deployed my X26 Taser while standing approximately four feet away from Harris. Harris quickly turned away from me as I was deploying my Taser and two Taser probes successfully struck Harris on the right-side of his back. Harris fell to the ground on his back, face-up. The initial Taser deployment was successful and I observed full-body lock-up of Harris while he fell onto the ground.

Harris was under power of my Taser for five full seconds while on the ground. After the first deployment, I ordered Harris at least twice in a loud, clear, and concise voice, "Roll over onto your stomach and place your hands behind your back!" I observed Harris positioning his right hand on the ground in an attempt to prop himself up. It appeared as though Harris was attempting to get up off the ground. I feared if Harris were to stand up, he may attempt to assault me or charge at me. I warned Harris, "If you try to get up you will be Tased again." Harris ignored my commands displaying active and passive resistance. I deployed a second Taser deployment with the same probes inside of Harris and observed Harris's body lock-up again. I saw Harris this time roll onto his stomach with his hands down by his waistband area. The second deployment also lasted five full seconds and was successful.

I again ordered Harris to place his hands behind his back and I heard Harris state, "I am, I am" but Harris was still not complying with my commands. At that time, I heard Deputy Clark #3664 on scene on the adjacent road calling out my name. Deputy Clark came to my assistance and was running at full speed down the incline of the concrete easement. When Deputy Clark arrived to assist me, I could see Harris was still not complying fully with my verbal commands and had his hands near his waistband area. I still had not patted Harris down for weapons and feared Harris could have been concealing a weapon in his waistband area. I observed Deputy Clark drop his body weight down on top of Harris and onto Harris's upper-back and lower shoulder area. Deputy Clark's body weight on Harris was successful and Harris immediately complied by allowing Deputy Clark to handcuff him. (See UOF Report by Deputy Clark for details).

Deputy Clark was able to place handcuffs on Harris and conducted a search of Harris incident to his arrest. Upon doing so, Deputy Clark removed a black bag from Harris's front-right pants pocket that contained several grams of suspected methamphetamine as well as large amounts of U.S. bills in various denominations. (See Arrest Report by Deputy Clark for details).

Deputy Clark and I conducted an inventory search Harris's vehicle. Upon doing so, Deputy Clark had located four glass pipes with a bulbous end. I recognized the glass pipes as methamphetamine pipes and two of them had a white residue on the inside. Behind the driver seat I observed a wooden baseball bat, but no other contraband or weapons were located in the vehicle. Harris's vehicle was later towed from the scene by S&R Towing and stored under authority 22651(h) CVC- Driver Arrested.

Harris was placed under arrest for 2800.2(a) CVC- Felony evading, 69 PC- Resist a Peace Officer with Injuries, an active felony warrant (#CPR151456), and 11377(a) H&S- Possession of a Controlled Substance.

Paramedics #1195 responded to the Sheriff's Fallbrook Substation to evaluate Harris's injuries. Deputy Rocha #7303 transported Harris to the Sheriff's Fallbrook Substation for processing. Deputy Rocha later followed Paramedics #1195 to Palomar Hospital where Harris was treated for his injuries. Photographs of Harris were later taken while he was at the hospital. It was later learned Harris sustained a punctured lung and approximately three broken ribs as a result of the incident.

While at the Sheriff's Fallbrook Substation, Sgt. Yates #1946 conducted a search of Robert Harris. Upon doing so, Sgt. Yates located another black pouch concealed on Harris in his left ankle area, which contained approximately 93.17 grams NET weight of methamphetamine in various packaging, approximately $1,600 in U.S. bills, a digital scale, and clear baggies (See Sgt. Yates Deputy Report for details). I took custody of the items and subsequently gave Deputy Clark custody of the evidence, which he processed. Deputy Clark told me the suspected methamphetamine had tested presumptively positive for methamphetamine utilizing a Field Reagent NIK Test Kit. Harris was subsequently charged with 11378 H&S- Transportation of a Controlled Substance and 11379(a) H&S- Possession of a Controlled Substance for Sale (See Deputy Clark's Arrest Report same case number).

While at the station, I had Deputy Clark take several photographs of me and my minor injuries for documentation purposes.

After my photographs were taken, I completed the impound report for Harris's vehicle.

At the time of this report, an additional Officer Report #57869 was accidentally added to the case. The report was subsequently deleted from the report.

Sgt. Pucillo #2423 downloaded my X26 Taser data and the data report was attached to the report.

I later completed the CHP Pursuit Form as well as an MLU-4 Report of Occupational Injury form. I attached the CHP form to this report.

I later transferred all photographs taken onto a compact disc and placed the disc into evidence. I also transferred the photographs onto this case URL file folder.

STATEMENTS:
None.

EVIDENCE:
None.

INJURIES:
Deputy Allison sustained complaint of pain to his right knee and had visible abrasions on both arms as a result of the incident.

Robert Harris sustained a punctured lung and approximately three broken ribs as a result of the incident. Harris was treated and admitted to the hospital for his injuries.

PROPERTY DAMGE:
None.

FOLLOW-UP:
As needed.

SUBJECT INJURY DESCRIPTION

OFFICER INJURY DESCRIPTION

OTHER FORCE USED/COMMENTS/EQUIPMENT PERFORMANCE:

		ARJIS	DATE
SERGEANT			
LIEUTENANT			
CAPTAIN			

San Diego County Sheriff's Department
Use of Force Supplemental

Use of Force Supplemental Instructions

Lines 1 & 3: Fill in the blanks.

Line 2: If the suspect was committing a crime and force was used to stop or apprehend the subject, document the appropriate penal code. If the UOF occurred in the performance of the officer's duties, document the incident description, i.e. officer transport, officer escort, making arrest, detaining suspect, cell extraction etc.

Primary Reason for Using Force: Check appropriate box(s).

Subject Appeared To Be: Check if applicable.

Number of Officers on Scene: List number of officers present.

Number of Officers Using Force: List number of officers that used force.

Level(s) of Resistance Encountered: Check appropriate box(s).

L.E. Tool/Technique Used: Check appropriate box(s). If known and/or applicable, include duration (approximate length of time) tool/technique was used. If known and/or applicable, include the number of contacts (approximate number of strikes, impacts, etc.) when requested on form.

Was Initial Use of Force Effective? If initial force used was effective, check "Yes." If initial force used was ineffective and additional force was necessary, check "No."

Was Additional Control or Force Needed: If initial force used was ineffective and additional force was necessary, check "Yes." If initial force used was effective, check "No."

Target Distance: If applicable (refers primarily to less lethal weapon systems), approximate distance or provide range (i.e. 7-15 feet, 15-20 yards, etc.) from subject during application of force.

Subject Injured: Check "Yes" if medically treated for injury sustained as a possible result of force applied by a officer(s) – does not include previous injuries suffered prior to officer contact. Check "No" if subject was not injured or simply complains of injury/pain suffered as a result of force applied by an officer(s) and refuses medical attention. Any complaints of pain shall be documented in the use of force report narrative (whenever any physical force used by a officer results in a complaint of injury or an injury that necessitates medical treatment of a subject, a supervisor will be notified immediately).

Extent of Treatment: Check appropriate box. Check none if subject was evaluated and no treatment was required. Specifically, check "Treated at Scene" if subject was treated at scene by EMS for injuries that may have resulted due to force applied by officer(s). Check "Treated at Hospital" if subject was transported to hospital for treatment of injuries that may have been sustained as an apparent result of force applied by officer(s). Check "Hospitalized" if subject was admitted to the Hospital as a result of injuries that were sustained as a result of force applied by officer(s).

Officer Injured: Check appropriate box (see above).

Extent of Treatment: Check appropriate box. Check none if officer was evaluated and no treatment was required. Specifically, check "Treated at Scene" if officer was treated at scene by EMS for injuries. Check "Treated at Hospital" if officer was transported to hospital for treatment of injuries. Check "Hospitalized" if officer was admitted to the Hospital as a result of injuries.

Other Force Used/Comments/Equipment Performance: This section can be used to document other force options not listed on the form; relevant comments about the incident such as complaints of pain/injury (room permitting) and negative/positive comments regarding equipment performance.

Mark Figure to Indicate Contact Points: When applicable, mark the areas on the figure where applied force contacted the subject's body.

Sergeant: Sign, list ARJIS number and date reviewed.

Lieutenant: Sign, list ARJIS number and date reviewed.

Captain: Sign, list ARJIS number and date reviewed.

INDIVIDUAL/S

REPORT NARRATIVE

On 08-25-16 at about 1320 hours, Deputy Allison initiated a pursuit of vehicle driven by Robert Harris (b)(5)(A). The pursuit went from Fallbrook into De Luz where it terminated. After a short foot pursuit, Harris was taken into custody. He was transported to the Sheriff's Fallbrook Substation by Deputy Rocha. At about 1355 hours, I was in the back parking lot of the Fallbrook Substation when Deputy Rocha arrived with Harris. As Harris was taken out of the back of the patrol car, I observed a large bulge in the sock on Harris' left ankle. A search was made of Harris' left ankle area. A small (3 inch by 6 inch) black leather bag was found. Inside the bag was what appeared to be a large bag (two inches in diameter) of suspected methamphetamine, several smaller bags of potential drugs and a digital scale. A few minutes later, Deputy Allison arrived at the Fallbrook Substation. I advised of him of what I had found and gave him the black bag and its contents for processing. That concluded my involvment in this case.

REPORT NARRATIVE

See arrest report for narrative.

STATE OF CALIFORNIA
DEPARTMENT OF CALIFORNIA HIGHWAY PATROL

ALLIED AGENCY PURSUIT REPORT

CHP 187A (Rev. 5-16) OPI 033

SUPERVISOR'S INITIALS	VEHICLE PURSUIT NUMBER (For your agency's use only, if applicable)
CP 2423	Incident Number: 16143273

ALL MOTOR VEHICLE PURSUIT DATA SHALL BE SUBMITTED NO LATER THAN 30 DAYS AFTER PURSUIT. SEE PAGE TWO FOR DETAILED INSTRUCTIONS.

SECTION I - Mandatory for all California Law Enforcement Agencies involved in vehicle pursuit.

1. AGENCY NCIC	2. AGENCY NAME (Specify district, i.e., LAPD Newton)	3. DATE VEHICLE PURSUIT WAS INITIATED	4. TIME VEHICLE PURSUIT WAS INITIATED (24 hr., e.g., 1430)
3700	San Diego County Sheriff's Dept.	08/25/2016	1319

5. PURSUED VEHICLE LICENSE PLATE NUMBER	6. STATE	7. VIN NUMBER (Complete only if 'cold plated' or no license plate available)	8. TIME YOUR AGENCY BECAME INVOLVED IN VEHICLE PURSUIT (24 hr., e.g., 1430)
(b)(5)(B)	CA		1319

9. CHECK THE CATEGORY THAT BEST DESCRIBES THE VEHICLE TYPE

☒ Passenger Vehicle (Car, SUV, Mini-Van) ☐ Passenger Vehicle (Car, SUV, Mini-Van) with Trailer ☐ Motorcycle, Motor Driven Cycle, Motor Scooter ☐ Pickup Truck
☐ Pickup Truck with Trailer ☐ Truck Tractor ☐ Truck Tractor with Trailer ☐ School Bus ☐ Other Bus ☐ Emergency Vehicle ☐ Other

10. TOTAL TIME YOUR AGENCY WAS INVOLVED VEHICLE PURSUIT (Minutes)	11. TOTAL DISTANCE YOUR AGENCY WAS INVOLVED IN VEHICLE PURSUIT (Miles)	12. COUNTY WHERE YOUR AREA INVOLVEMENT BEGAN
6 MINUTES	5	SAN DIEGO

13. AGENCY INITIATING VEHICLE PURSUIT	14. DID YOUR AGENCY TURN THE PURSUIT OVER? (If yes, indicate agency below)	15. DID YOUR AGENCY CONCLUDE VEHICLE PURSUIT?
SAN DIEGO SHERIFF'S DEPT.	☒ No ☐ Yes:	☐ No ☒ Yes (complete SECTION II)

16. LIST I.D. NUMBERS OF YOUR AGENCY'S OFFICERS INVOLVED IN VEHICLE PURSUIT (Do not list names)

#7898

17. HIGHEST NUMBER OF INVOLVED UNITS AT ONE TIME IN YOUR AREA	18. CHECK ONE CONDITION THAT BEST DESCRIBES WEATHER DURING THE PURSUIT	19. MAXIMUM SPEEDS ATTAINED
Ground: 1 Air: 0	☒ Clear ☐ Cloudy ☐ Raining ☐ Snowing ☐ Fog ☐ Windy ☐ Other (Specify):	Freeway: Surface Streets: 65

20. INDICATE ATTEMPTED FORCIBLE STOP(S) AND NUMBER OF TIMES ATTEMPTED	21. INDICATE THE NUMBER OF COLLISIONS THAT OCCURRED IN YOUR AREA
Spike Strip: PIT: Other Ramming: Boxed In: Remote Engine Disabler: Other (Specify):	Fatal: 0 Injury: 0 Property Damage Only: 0

22. ORIGINAL VIOLATION OBSERVED BY AGENCY INITIATING THE VEHICLE PURSUIT (Leave blank if your agency did not initiate pursuit)

Section & Code: 4000(A)(1) VC/FELONY WARR ☒ Felony ☐ Misdemeanor ☐ Infraction ☐ BOL / Warrant / Wanted ☐ Other (Specify):

If injuries were incurred as a result of collision during your agency's involvement in the vehicle pursuit and your agency did not conclude the pursuit, complete only item 23 in Section II below.

SECTION II - Complete only if your agency brought vehicle pursuit to conclusion (includes aborting of pursuit).

23. WERE INJURIES INCURRED AS A RESULT OF A COLLISION? ☒ No ☐ Yes *(If yes, indicate number of each type below)*

	Police Officer(s)	Suspect Driver	Suspect Passenger(s)	Uninvolved 3rd Party
Fatal Injury				
Severe Injury				
Other Visible Injury				
Complaint of Injury				

24. WERE INJURIES INCURRED AFTER THE VEHICLE PURSUIT? ☐ No ☒ Yes *(If yes, indicate the number of each type below)*

	Police Officer(s)	Suspect Driver	Self-Inflicted	Suspect Passenger(s)	Self-Inflicted	Uninvolved 3rd Party
Fatal Injury						
Severe Injury		1				
Other Visible Injury	1					
Complaint of Injury	1	1				

25. SUSPECT ☐ WAS ☐ WAS NOT APPREHENDED. WHICH ONE OF THE FOLLOWING MOST NEARLY DESCRIBES THE EVENT **CONCLUDING** THE VEHICLE PURSUIT?

☐ Suspect vehicle voluntarily stopped ☐ Pursuit aborted by law enforcement agency ☐ Suspect vehicle escaped patrol vehicle
☐ Forcible stop ☐ Suspect vehicle and patrol vehicle collided ☒ Suspect abandoned vehicle and fled on foot
☐ Suspect vehicle became disabled ☐ Suspect vehicle became involved in a collision ☐ Other (Specify):
☐ Patrol vehicle became disabled ☐ Patrol vehicle became involved in a collision

26. VIOLATION(S) SUSPECT(S) CHARGED WITH UPON CONCLUSION OF VEHICLE PURSUIT (List most serious offense first followed by additional charges)

Section / Code	Felony	Misdemeanor	Infraction	BOL / Warrant / Wanted	Other (Specify)
2800.2(A) CVC	☒	☐	☐	☐	☐
69 PC	☒	☐	☐	☐	☐
11378 H&S	☒	☐	☐	☐	☐
11379 H&S	☒	☐	☐	☐	☐
11377 H&S	☐	☒	☐	☐	☐

27. D.O.B. OF PERSON PURSUED	28. GENDER	29. DRIVING UNDER THE INFLUENCE?
(b)(5)(A)	☒ Male ☐ Female	☒ No ☐ Yes (Specify): ☐ Alcohol ☐ Drugs ☐ Combination of both

30. ETHNICITY

☐ White ☐ Vietnamese ☐ Cambodian ☐ Other Asian ☐ Guamanian ☐ Asian Indian ☐ Other Not Listed
☐ Black ☐ Japanese ☐ Korean ☐ Filipino ☐ Hawaiian ☐ American Indian
☒ Hispanic ☐ Chinese ☐ Laotian ☐ Samoan ☐ Other Pacific Islander ☐ Alaskan

Quick User Guide

Calibration and adjustment are performed at the factory. However, the weighing range can shift slightly during shipping. Also, due to changes in local acceleration of gravity around the world, adjustment is recommended when moving the scale from one location to another.

Operation:

1. Press the ON/OFF key to turn the scale on.
2. Wait for the display to show zero before weighing.
3. Place the object(s) to be weighed on the center of the weighing platform
4. Using the MODE key, you can switch between weighing units.

Tare Weighing:

1. Press the TARE key to re-zero the scale. Using the tare function, you can subtract the weight of a container to obtain the weight of just the contents.

Calibration Adjustment:

1. Press the ON/OFF key to turn the scale on.
2. Wait for the display to show "0.00g"/ "0.0g" then press and hold the MODE key until the display shows "CAL", then release.
3. Press the MODE key again. The display will flash "CAL" followed by the required calibration weight.
4. Place the required calibration weight on the center of the platform. The display will show "PASS" then return to normal weighing mode. Calibration is complete!
